- We're Freezing Base Rates for 3 Years, Giving You a Stable and Predictable Budget
Energy rates are rising across the country, but we're proud to say: not in Georgia. Thanks to the growth of our state, we're freezing our base rates for the next three years, exclusive of fuel and storm-related costs, so you can depend on a stable, predictable budget. Learn more at georgiapower.com/ratefreeze.
- Take Charge of Your Energy Use
Sign up for My Power Usage Alerts to get timely updates when your usage hits key thresholds. Avoid surprises on your bill and stay informed. Enroll today at georgiapower.com/usagealerts.
- Community Solar
With our Community Solar program, you can enjoy clean energy benefits similar to customers who own their own solar panels. By signing up, you will be supporting the development of solar power in the state and economic growth through the production of local solar farms. Let's expand clean energy in Georgia together. Visit georgiapower.com/communitysolar for more information.

Do we have your correct primary phone number and email?

Why? When you call to report a power outage, our automated systems identify your address by your phone number. We may occasionally want to contact you via email with important information.

If your phone number or email address has changed, please update our records in the box below and mark the box on the front of the stub if you have entered a correction.

Budget Billing Summary

Your Budget Billing payment plan helps you manage your budget by averaging your electric bill over time.

Current Actual Amount	\$ 67.11
Current Budget Bill Amount	\$ 260.00
Current Difference	\$ -192.89
Previous Difference	\$ 232.71
Total Difference	\$ 39.82

Some months you will pay less than your actual bill and some months you will pay more. If you leave the Budget Billing plan, any balance on your account would be due or credited at that time.
